

Taking Stock of Reading K-4

A Quick Scan of Your Students' Strengths and Challenges

Intention:

- To focus home learning on consolidating existing strengths.
- To narrow the focus on home learning in those areas that students require more instruction.

Instructions: Use your informed professional judgement to get a picture of each students' strengths and challenges at the time of completion. Use brief phrases and check marks and remember to keep it simple and manageable. When considering challenges, FOCUS on 2-3 of the most foundational and those that have greatest leverage for future learning. Completion time for this organizer should be around 1-1.5 hours.

Reading: Comprehension and Decoding

Date Completed: _____

<u>Class list</u>	Strengths	Requires ongoing consolidation through practice	Challenges Limit 2-3	Still requires instruction	Requires scaffolded practice
